Teen Volunteers
WANTED!

RICHMOND HILL PUBLIC Library

Celebrate your curiosity

www.rhpl.richmondhill.on.ca

The Library thanks all who apply to be an RHPL volunteer. Due to the volume of applications we receive, however, only those selected for an interview or position will be contacted.

Visit www.rhpl.richmondhill.on.ca/Teens/#Volunteer to download and send an application form for any of the following opportunities.

Volunteers must live or go to high school in Richmond Hill.

Reading Buddies
What: Read and play literacy-based games with kids!
When: Year-round
Where: Richmond Green (year-round) and Oak Ridges (year-round)

English Mentors
What: Lead our "Summer English Speaking Club for Newcomer Youth". You should be a long term resident of Richmond Hill who has grown up in Canada. Or, provide administration and technical support as an *Admin Assistant*.
When: Summer only
Where: Central

TAG: Teen Advisory Group
What: Discuss ways to make the library a great space for teens. You must work well in groups and commit to attending meetings at the library every other Saturday afternoon.
When: During the school year
Where: Central

On-Call Volunteers
What: Help out in the Library from time to time on an on-call basis. Assist with puzzles, prepare crafts or help out at special programs and events. Teens will be contacted by email when help is needed.
When: Year-round
Where: Central, Richvale, Richmond Green

STEAM Coaches
What: STEAM = Science Technology, Engineering, Art, Math! Work with students and children to learn emerging technologies like 3D printing, virtual reality, green screens, app creation software, digital design, coding, and Lego-robotics.
When: Year-round
Where: Central, Oak Ridges, Richmond Green, Richvale

Library Maker Crew
What: Become an event planning apprentice with our Library Maker Crew. Crew makers help the Richmond Green Librarian create a wide range of public programs and events from start to finish.
When: Year-round
Where: Richmond Green

Tech Tutors
What: Be part of *Computer Buddies*, a program that pairs you with an older adult to teach basic computer, Internet, and e-mail skills for one hour a day on selected weeks throughout the year. You must be patient, understanding, and have excellent communication and computer skills.
When: Year-round
Where: Central

Applications will be kept for 6 months only.
